

VERY FINE COPPER POWDER WITH HIGH PURITY

SOFT CORPORATE OFFER

Transaction Summary

DATE: 5TH MAY 2026.

Dear Sir/Madam,

We have been asked to sell a very fine COPPER POWDER with high purity on a seller's mandate basis directly from the manufacturer's factory.

We offer the following terms and conditions for the sale of a very fine COPPER POWDER with high purity.

The price and terms negotiations are generally not possible. Only buyers who agree to these terms and conditions should submit an LOI and CIS. Please attach an official letterhead to the LOI and the representative's passport, DLC-issuing bank information, and company registration documents to the CIS.

Basic Procedure

1. Bid from buyer on company letterhead with all contacts. It is obligatory to provide full requirements and characteristics of the ordered goods (CIS + BCL). An empty application will not be considered.
2. The seller sends a commercial offer according to the requirements and full characteristics of the goods declared by the buyer.
3. A protocol of intentions is signed. The buyer pays for the required number of samples to analyze and confirm the quality of the goods in his laboratory.
4. After agreeing on all delivery points, payment terms, product form, and packaging, the main contract is signed.

Best regards,

R. Parki
